RE: Application to Amend:
GN Docket No. 89-573
Philadelphia Metropolitan Area
Regional Public Safety Plan (Region 28)
Filing Window 7 assignments

Dear Sir or Madam:

Please accept this letter as our official filing request for approval of our Filing Window 7. We are seeking approval of Window 7 for which we had requested and received letters of concurrence (LOC) from adjacent Regions 20. No response was received from Regions 30, 36 and 55, as there was no impact to their Regions from any of the Window 7 assignments.

Attached to this letter is a listing the channel assignments (Appendix 1) sorted by applicant for our Window 7 as approved by Region 28 at our last meeting and copy of the LOC from Region 20.

Your prompt consideration and approval of our filing Window 7 would be greatly appreciated. If there are any questions concerning any of the attachments to this letter please call me at 302-739-9648 or e-mail me at Richard.Reynolds@state.de.us.

Sincerely,

Richard R. Reynolds, Chairman,
